# Let the Good Times Roll . . .

The major part of our lives is spent here at Richland Attendance Center. We spend seven hours a day for 177 days each year in school . . . that's 1,239 hours a year! By the time the seniors graduate, they will have spent at least 14,868 hours furthering their education . . . not to mention the time devoted to homework and extra curricular activities!

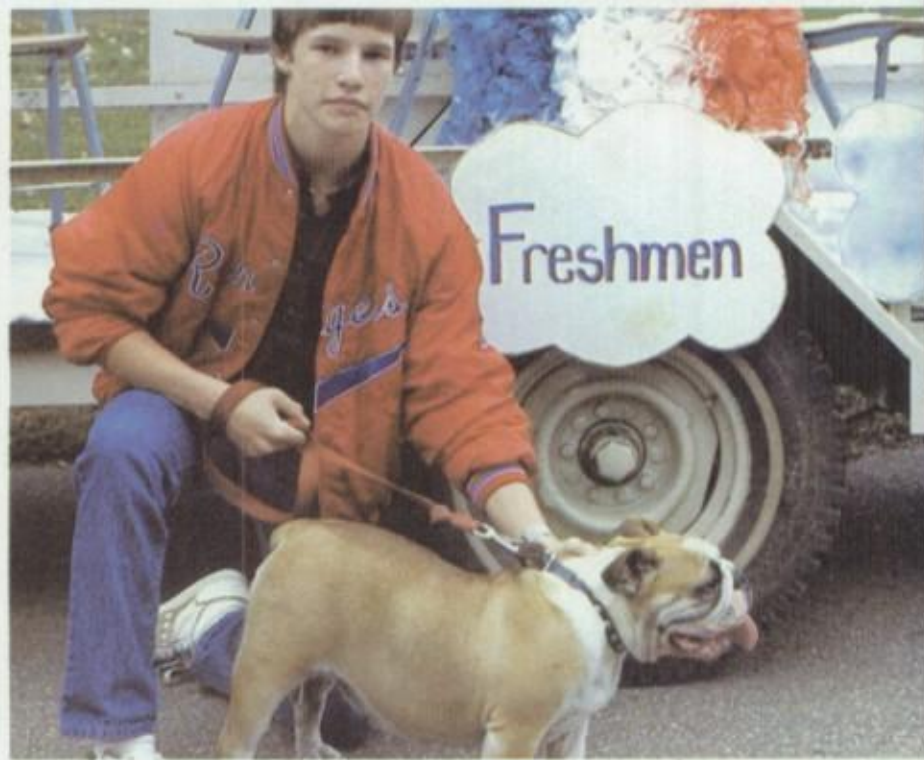

## ... Today, Tomorrow, and Forever

The school day ends at 2:50, but for most of us school activity doesn't stop then. A lot of extra time is spent practicing football, playing in the band, kicking a soccer ball, cheering on our team, or simply doing homework. As the day ends, another 24 hour period is written down . . . and the thoughts of what tomorrow will hold fill the minds of everyone.

## IN MEMORY OF DOT LEE

There is no death! Although we grieve  
When beautiful, familiar forms  
That we have learned to love are torn  
From our embracing arms.

Although with bowed and breaking heart,  
With sable garb and silent tread,  
We bear their senseless dust to rest  
And say that they are "dead."

They are not dead! They have but passed  
Beyond the mists that blind us here  
Into the new and larger life  
Of that serener sphere.

And ever near us though unseen,  
The dear, immortal spirits tread  
For all the boundless universe is life.  
There are no dead!

.....

Yes, we all have a purpose in life  
And those that fulfill their purpose  
Then go to receive their crown...  
Jesus just called Dot home to  
Receive her crown for a job well done.

# OLD TIMERS

# ADMINISTRATION

**Robert E. Lockett**

Attendance Center Principal

Five years of progress has been made possible by community support, a dedicated faculty, and excellent backing from our county superintendent and his staff. I congratulate all those parties involved plus an outstanding student body on their achievement and challenge them to continue this march toward excellence in the years ahead.

**Mae S. Green**

Elementary School Principal

The 1985-86 school year has been one of many changes and adjustments. Through the understanding and cooperation of parents, students and faculty working together the changes were taken in stride and the adjustments were made successfully. I appreciate the encouragement of this group and their support during the school year.

**Barry L. Male**

Secondary School Principal

We have just completed our fifth year as Richland Attendance Center, and I am very proud of the accomplishments of the students, faculty, and community. It has taken a tremendous amount of hard work and long hours from everyone involved in our strive for excellence. Thank you all for our best year ever.

**Larry Rimes**

Counselor

Richland is a growing community with growing and changing needs. At Richland Attendance Center we strive to meet these ever changing needs. The counseling department along with the entire educational staff appreciates the past cooperation between the school and the community and looks forward to a continued combined effort in the education of the young people of our community.

# BEYOND THE CLOUDS

The nation watched enthralled as America sent another shuttle into space.  
The wonder and elation showed on the nation's face.  
We had seen it fly into the unknown and return once before.  
Now we would watch the *Challenger* on its journey once more.  
The *Challenger* took our minds off all the nation's scars.  
A teacher was included in the trip to keep youth "reaching for the stars."  
All the friends and relatives of the crew members came to watch the flight.  
The day would be remembered for the rest of their lives.  
The pride people felt flowed as tears of joy.  
The love for our country was felt by every girl and boy.  
For the first seventy-three seconds everything went all right.  
Then came, "Roger, go at throttle up," and the nation watched a horrid sight.  
A cloud of smoke filled the air, a cloud of gloom and despair.  
When the cloud lifted nothing was there.  
The shuttle had exploded; all the crew had died.  
People watching the event kept their eyes upward and cried.  
Tears of joy turned to sadness, despair, and disbelief.  
People all across the country shared the families' grief.  
The cause of the accident is still uncertain; its meaning is not clear.  
The tragedy instilled in Americans a sense of shock, a sense of fear.  
In the face of tragedy, the country's people stood as one.  
To mourn seven lives and the damage the accident had done.  
People continually prayed for the families of the deceased.  
During this somber period the nation's unity increased.  
The unforeseen explosion which took seven lives away  
Made us remember that death can come any time, any day.  
Their death showed us that the program was not without flaws.  
They became martyrs for a very worthy cause.  
This accident will not close NASA's doors.  
New forms of technology will be explored.  
They made us stop to think; they made us take time to care,  
But when we turned to thank them, they were not there.  
They may have been heroes just for one day,  
But they were heroes in more than one way.

-Kim Holloway

This poem is in dedication to the NASA space shuttle crew, who gave their time and their lives, on January 28, 1986, at 10:39.13 a.m., to a cause that will long be remembered. We would like to especially remember Christa McAuliffe, the first teacher in space.

# THE EXCHANGE CLUB OF RICHLAND

Chartered November 18, 1978

PRESIDENT ..... LELAND MAY  
 PRESIDENT-ELECT ..... ECKELS EVANS  
 SECRETARY ..... BILL BARRETT  
 ASSISTANT-SECRETARY ..... DAVID VAN HORN  
 TREASURER ..... CHARLES MORRIS

Our Exchange Club is made up of the community leaders of Richland whose goals are to improve, advance, and uplift the human condition and to preserve and perpetuate the patriotic principles which are so much a part of our national heritage. We sponsor several service programs locally. One of these is "Youth of the Month."

## Youth of the Month

A paradox in our society is that while hard work, worthy achievement, honesty, righteousness, and good citizenship are traits which we all admire, our attention is most often diverted by those who drastically deviated from these ideals. Or to put it another way, good kids seldom make the headlines.

The Youth of the Month program aims to rectify this contradiction by focusing public attention on industrious high school students who are to attain high levels of scholastic and athletic excellence and who demonstrate exemplary qualities of leadership and civic responsiveness. Thus, the program not only rewards outstanding young people for their perseverance and hard work, but also provides an incentive to other young people to strive for a similar degree of excellence.

### E-ZINSERT® FIREPLACE UNIT by a-b

*The Finest of Wood Stoves*

Turn your  
inefficient  
fireplace  
into an entire  
heating system  
for your  
home.

- **Convenient** The draft control systems makes building a fire easy and eliminates constant fire tending.
- **Efficient** The E-Z Insert Unit with its efficient slow burning of wood or coal saves fuel.
- **Safe** Reversed locking firebox door prevents accidental opening.
- **Durable** The E-Z Insert Unit is built to last. Constructed of the highest grade firebox steel.
- **Attractive** The E-Z Insert Unit adds an attractive, beautifully designed piece of furniture to your home.
- **Conserve Energy** The E-Z Insert Unit burns either wood, our most abundant and replaceable fuel, or coal, the most abundant fossil fuel.

**ALSO AVAILABLE AS FREESTANDING UNIT**

- Cast iron grates and fire screens available •

WE APPRECIATE YOUR  
BUSINESS

*Only one class ring can really fit you.  
And Campus Supply has it.*

Your class ring should be as unique and special as you are. And it can be, when it's from Balfour. Because **you** choose the style, the stone, the decoration, the engraving—to create a class ring that is yours alone. Your own personal class ring from Balfour. No other can express who you are so exactly. Or help you recall those special times so clearly.

 Balfour. *No one remembers in so many ways.*

### TIME GONE BY

This year, the yearbook staff held a contest to see who could sell the most ads for the yearbook. We divided up into two teams. A steak dinner was given to the winners, and as you can see at the right, our losers were given a pork & bean dinner.

A lot of hard work and time has gone into this yearbook, not to mention the fun and the many, many memories.
